

1. What aspects of your career have you enjoyed doing this month? What part of your career do you wish you didn't have to do moving forward?
2. Is there anything in particular (support, resources, start/stop doing) you'd like from the team/me to help you grow?
3. What do you appreciate about our culture or your team in your day-to-day? Any primary risks or issues - either in your work environment, or our products or services we use - that we should work to resolve?
4. Action Items or additional notes
