

1. Did you encounter any difficulties trying to achieve your objectives this week and what did you do to overcome them?
2. What were your priorities next week and do you need anything from the team to accomplish them?
3. What challenges are you facing week over week/anything that you need help with?
4. What's going well in your role? Is there anything you're doing that you'd like to stop doing?
5. Action Items or additional notes
